

Shopware 5 installation

# Nets Easy plugin for Shopware 5

# How it works step by step:

## 1. Download

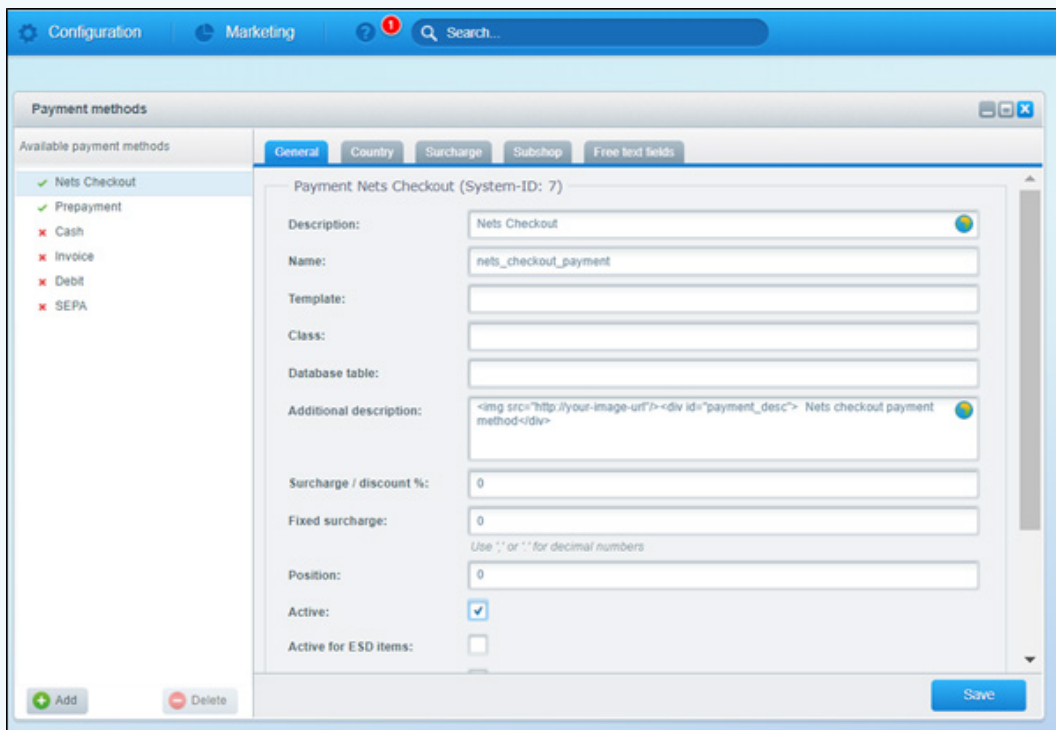

Download the Shopware 5 Nets East plugin from github: <https://github.com/DIBS-Payment-Services/shopware5-easy-checkout/tree/master/package> (make sure you use the latest package)

## 2. Upload to Shopware

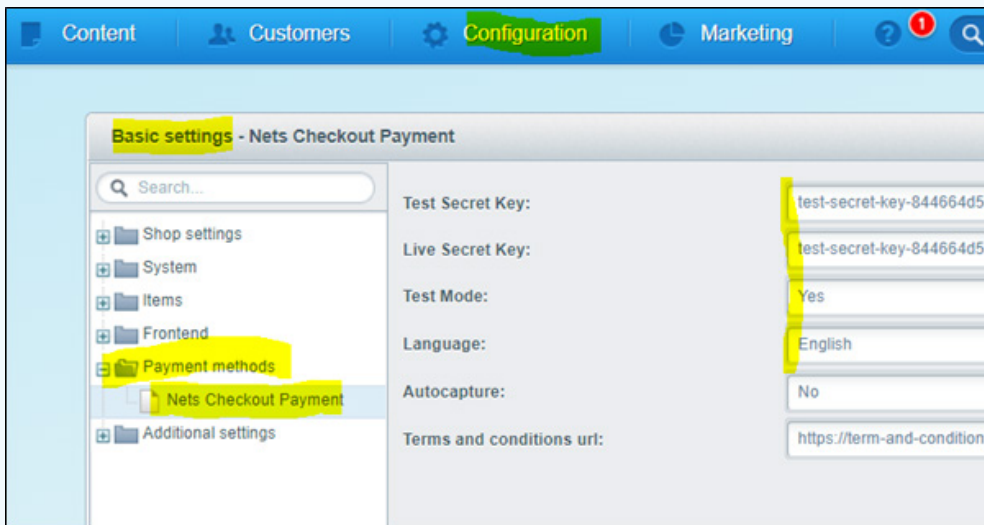

In Shopware admin go to Configuration -> Plugin manager -> Installed and use Upload plugin button to upload install and activate plugin

## 3. Configuration

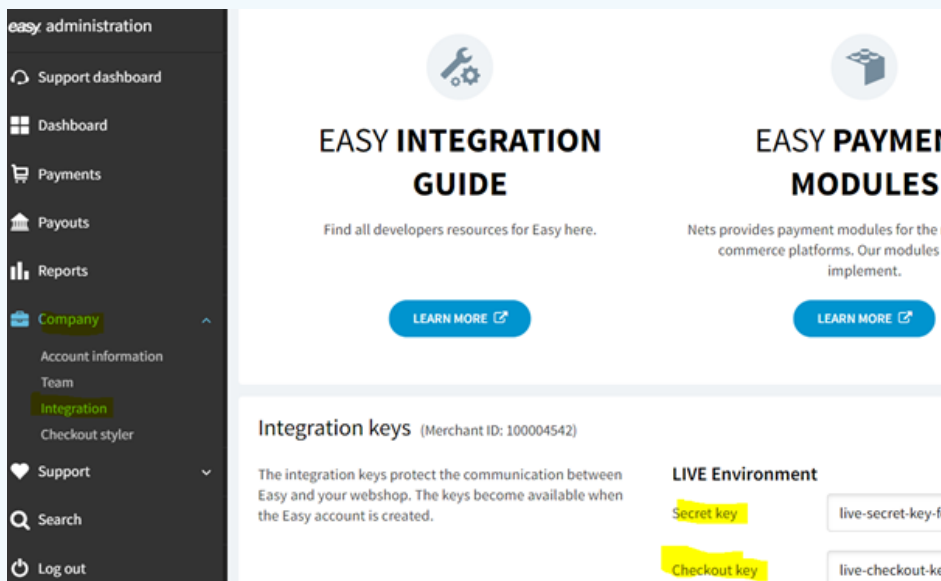

Go to Configuration -> Payment methods and activate Nets Checkout Payment method

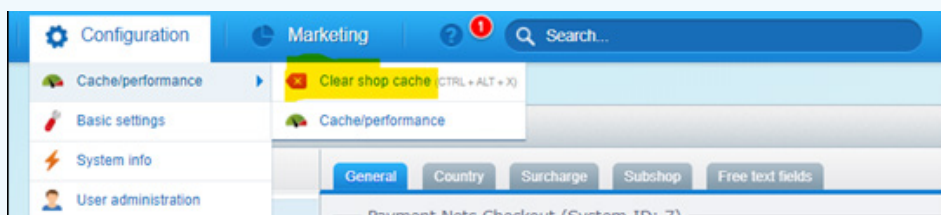

Go to Configuration -> Basic settings -> Payment methods -> Nets Checkout Payment and fill in the settings form

Test and Live keys are available in the easy administration portal: Nets Portal: <https://portal.dibspayment.eu/>

Clear configuration cache in Configuration -> Cache/performance -> Clear shop cache
